Honored Records Office;
Greetings and blessings to you and yours.

Administrator;

The purpose of this memo is as follows:

1.-

As listed above; I am,
Mr. Alejandro Casillas Prieto
U.S.M. # 18154-078

I was once a prisoner housed here
at: Tarrant County Jail.

It is my understanding that in order
for me to make any type of request
for records I am to make my humble
request to you. Therefore - I'm doing so.

2.-

During my term of incarceration there
which was between the dates of:
October 06, 2010 to August 20, 2012

I had several visits there...

I am seeking any and all 'LEGAL VISITS'
records; although, a listing of any and
all visits that were provided to me
as a courtesy will suffice. I just
require that I obtain some type of
visitation record for my on-going case...

2- Continued:

... for which, I am still at
the present fighting in criminal
court

Please understand;

That I, do understand, that I
can forward my request to that of
Geo Group Inc. Attention Mr. Brian E. Johnson
Associate Corporate Counsel

located at:

One Park Place Ste - 700
621 Northwest 53rd Street
Boca Raton, Florida 33487

For which I have done; yet, this is
actually an in-house jail matter so I am
making the request towards yourself.

Please understand;

That I, do understand that I
can forward my request to that of:
The U.S.M.S. ... United States Marshal Service
Office of General Council, CG-3 15th flr
Washington, D.C. 20350-0001

over

2.- Continued:

... although, this is NOT a matter for them either, they too have been notified. Again - this is an in-house, jail matter.

Administrator;

Can you or someone in your department or administration follow-up on this matter.

This does not seem to be a very large nor impossible request to make. Yet, it has to in fact shown to be an ill-founded improbability - why?

I really need these records, for 'Court Value' to show whom had visited me to show propensity in my current case - "at - bar."

I'll close now.

I thank you in advance for your time and efforts, and again wish you and yours, happiness, health, peace, wealth and wisdom. May the GOD of your understanding continue to protect and bless you.

Respectfully sent;

Mr. Alex Prieto
